Payment of your full tuition fee 14 days before the clinic date is necessary to guarantee your spot in any class. You should bring a horse that you are comfortable with and can safely ride at a walk and trot. ***Levels 1, and 2*** clinics are not the place to start an unhandled horse but can be helped with private lessons. For safety/liability reasons, ***no stallions*** are allowed in classes. All participants must fill out and sign a liability form along with this form. Give forms and tuition fees to the hostess.
